<b>Distributions:</b>	8.875% payable semi-annually in arrears on May 15 and November 15 of each year beginning May 15, 2010.
<b>Deferral Provision:</b>	The Trust will defer payments on the trust preferred securities for up to five years if Capital One defers payments on the underlying junior subordinated debt securities. Payments cannot be deferred beyond the maturity date of the junior subordinated debt securities on May 15, 2040. Distributions on the trust preferred securities will continue to accumulate at the same applicable annual rate compounded from the relevant interest payment date during the deferral period. With certain exceptions, during a deferral period, Capital One and its subsidiaries will not be permitted to: (1) declare or pay any dividends or distributions or redeem, purchase, acquire or make a liquidation payment on any shares of Capital One's capital stock or the capital stock of its subsidiaries, (2) make any payments of principal of or interest or premium, if any, on or repay, repurchase or redeem any debt securities (including other junior subordinated debt securities or other junior subordinated debt) issued by Capital One that rank equally with or junior in interest to the junior subordinated debt securities, or (3) make any guarantee payments on any guarantee of debt securities of any of Capital One's subsidiaries (including under other guarantees of junior subordinated debt securities or other junior subordinated debt) if the guarantee ranks equally with or junior in interest to the junior subordinated debt securities.

<b>Optional Redemption:</b>	Capital One may redeem the junior subordinated debt securities (i) in whole or in part at any time after November 15, 2014 at a make-whole redemption price equal to the greater of 100% of the principal amount of the junior subordinated debt securities to be redeemed and the present value of scheduled payments of principal and interest from the redemption date to the stated maturity date, on the junior subordinated debt securities to be redeemed, discounted to the redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at a discount rate equal to the Treasury rate plus a spread of 0.75%, in each case, plus accrued and unpaid interest to the redemption date, and (ii) in whole but not in part within 90 days of the occurrence of certain changes relating to the tax or capital treatment of the trust preferred securities at a redemption price equal to the principal amount of the junior subordinated debt securities to be redeemed plus accrued and unpaid interest at the date of redemption, in each case subject to the prior approval of the Federal Reserve Board. The proceeds from any redemption of the junior subordinated debt securities will be applied to redeem the trust preferred securities having an aggregate liquidation amount equal to the aggregate principal amount of the junior subordinated debt securities being redeemed.
